

Holt County Sentinel.

Oregon, Missouri.

FRIDAY MORNING, DECEMBER 22, 1885.

A. F. & A. M.
Oregon Lodge, No. 139, A. F. & A. M., meets at the Hall northwest corner Public Square, 1st Monday and 3d Saturday in each month.

I. O. O. F.
Oregon Lodge, No. 54, I. O. O. F., meets at Odd Fellows Hall, every Wednesday evening at 7 o'clock.

No Paper.
On account of a press of job-work, and in consideration of the holidays, "and for other purposes," we have concluded to skip next week in the issue of the SENTINEL. The next regular issue will appear on the 5th of January, 1886. In the meantime, "a merry christmas" and "happy new year" to all.

Religious.
The fourth Quarterly Meeting of Oregon Circuit, M. E. Church, will be held on the 30th and 31st of the present month, at the Baptist Church, Oregon Missouri.
E. ROSZELL.

Acknowledgement.
We acknowledge the receipt of a "complimentary," to a social entertainment to be given at the Planter's House, Forest City, on the evening of the 25th. Shall be pleased to attend.

The Festival.
"Are you going to the Festival?" is a popular inquiry of late, and of one thing there seems to be no doubt that everybody who can seems determined to go. The prospect is that the attendance will be equal to the accommodations.

Stuppy & Behr, St. Joseph.
We desire to call attention to the card of these gentlemen. They have opened at St. Joseph, an establishment the want of which has been long felt in the north-west. Those in want of Pianos, Organs, Melodions, Violins, Guitars, Flutes, etc., can obtain them of these gentlemen. One advantage in buying at home is that you have an opportunity of attending in person, and of knowing what you get.

Cure Yourself of Dyspepsia.
The most aggravating of all complaints—a disease from which more people suffer and die than almost any other—has at last found its master. Coe's Dyspepsia Cure controls and completely cures it in its worst stage; no one who suffers from Dyspepsia, sick-headache, souring and rising of the food, should be without it. Whilst in all cases of hard colds, stubborn coughs, sore throat, and all bronchial affections, Coe's Cough Balsam is the cheapest and best. These two articles are deservedly very popular with the masses.

The Saturday Evening Post.
We notice that there has been a change in the management of this well known and favorite weekly, by the admission of a lady author as editor. Mr. Emerson Bennett, the popular writer, now writes exclusively for the Post, and announces a continued story, to begin the first of the year, to be called "The Phantom of the Forest," a wild story of the early settlement of Kentucky. Bella Z. Spencer, the editor, whose novel of Ora has been so highly praised, also announces a continued story, to be called "Genevieve Howe." Florence Percy the author of "Eve Isle," Louis Chandler Moulton, August Bell, Eleanor C. Donnelly, Beatrice Colonna, Mrs. Margaret Hosmer, and a host of other popular authors also write for the Post. The Post contains, besides stories, sketches, poetry, humorous articles, &c., an original Agricultural Department, and original and selected receipts for housekeepers. Wheeler & Wilson's celebrated Sewing Machines are offered as premiums to those who get up certain clubs—an easy way of getting a sewing machine, worth in Philadelphia \$65! The price of The Post is \$2.50 a year, two copies \$4, four copies \$8, eight copies (and one gratis) \$16—Sample copies, containing the terms and inducements in full, are furnished gratis. Address H. Peterson & Co., 319 Walnut Street, Philadelphia.

GREAT EXCITEMENT

Among the Ladies of Holt Co.!!

GRAND RUSH!

FOR THE
WILCOX & GIBBS

SILENT

SEWING MACHINE!!

IT IS ACKNOWLEDGED TO BE THE BEST FAMILY MACHINE

In the World!

It is Fast Superceding all Others Wherever it is Introduced.

THE following are a few of its principal advantages over other machines, and are some of the reasons of its great popularity:

It is entirely noiseless in operation. It never gets OUT OF ORDER, and will not run backward.

The blade of the needle is less than 1/4 of an inch long, and it cannot be set wrong. The HEMMERS, FELLER or BRAIDER cannot be set wrong.

A blind person can set either of them or the needle. It runs faster and easier than any other, and never drops stitches. It takes the thread from the spool without rewinding, and it is the only machine which makes the "TWISTED LOOP STITCH."

The hem and fell is always TURNED UNDER, as it should be, showing the right side of the stitch on the right side of the work, and the hem may be of any width without busting.

It will do perfect work on any goods, from a barege veil to the heaviest beaver cloth.

We Fully Warrant every Machine

To be perfect in all respects, and to do all we claim for it. Call and examine this beautiful

Silent Sewing Machine,

Or send for circular containing full information, notices from the press, testimonials from those using the machine, &c., &c.
